Sudbury Valley New Horizons Band

presents

Celebrating America in Music

Sponsored by the Wayland COA

Outdoors at the Wayland COA/Community Center

8 Andrew Ave., Wayland

Thursday, July 2, 2026, 7:00 PM

The Sudbury Valley New Horizons Band will be playing a special outdoor concert on July 2nd to *Celebrate America in Music!* The concert will include a variety of American music, starting with the very first recognized American composer, and moving on to "Barnum & Bailey's Favorite" circus march, songs from "The Music Man," a Sousa march, patriotic tunes such as "Yankee Doodle ", and "America the Beautiful," and several other pieces of great music to round out the evening! Dancing and singing along are encouraged, and there will be opportunities during the concert for children of all ages to participate in marching and dancing to the music! Did someone say something about chickens??

It will be an evening guaranteed to send you home with your toes tapping!

Haven't heard of Sudbury Valley New Horizons Music? We are a group of adults, 20-something to 90-something, many of whom have returned to their instruments after years or decades of not playing, and others who began their instrument as an adult. Our goal? To enjoy making music together! Come play with us! www.svnhm.org
